

New Source Review newspaper advertisements for construction permit applications, March 16, 2017. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on one of the following dates: March 14, 2017, or March 16, 2017. Public notices are generally published every week. The previous publication of public notices was March 9, 2017.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Lhoist North America with a mailing address 750 Old Hickory Blvd., Suite 2-200, Brentwood, TN 37027. They seek to obtain an air contaminant permit (Division identification number: 26-0026-12/972483) to replace the existing rotary kiln and associated equipment located at 2024 Crownover Road, Sherwood, TN. Regulated air contaminants would be emitted by this source. Mr. J. Swinea is the assigned Division person.

For "Winchester "Herald Chronicle" -- publish once on Tuesday, March 14, 2017.

---

The applicant is Teknor Apex-Haywood Company with a mailing address of 751 North Dupree, Brownsville, TN 38012. They seek to obtain an air contaminant permit (Division identification number: 38-0039-101/972591 for a natural gas-fired thermal fluid heater located at the same address. This existing operation consists of one 300-horsepower natural gas-fired heater and associated equipment. Low-NO<sub>x</sub> burners are used for pollution control. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. R. Benjamin is the assigned Division person.

For the Madison County "Jackson Sun" – publish once on Thursday, March 16, 2017.

---

The applicant is Smelter Service Corp. with a mailing address of 400 Arrow Mines Road, Mt. Pleasant, TN 38474. They seek to obtain an air contaminant permit (Division identification number: 60-0110/72572) for construction of an Aluminum Milling Operation located at the same location. This proposed operation would consist of a vibratory feeder, two magnetic separators, two milling machines, and associated equipment used to process secondary aluminum scrap. A dust collector would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. E. King is the assigned Division person.

For the Maury County "Daily Herald"-- publish once on Thursday, March 16, 2017.

---

The applicant is Mullican Flooring with a mailing address of 655 Woodlyn Road, Johnson City, TN 37601. They seek to obtain an air contaminant permit (Division identification number: 90-0384-01 / 72575) for modification of a Woodworking Operation at 655 Woodlyn Road, Johnson City. This proposed operation would consist of various woodworking equipment including sanders, planers, and saws. A baghouse will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Chelsea Meadows is the assigned Division person.

For the Washington County "Johnson City Press"-- publish once on Thursday, March 16, 2017.

---

The applicant is PFP, LLC with a mailing address of 1442A Toshiba Drive, Lebanon, TN 37087. They seek to obtain an air contaminant permit (Division identification number: 95-0428-02/972449) for an existing paper trimming operation located at the same address. This existing operation consists of two (2) die cutting machines, with the installation of a third die cutting machine proposed. A cyclone is proposed for emission control of all three (3) die cutting machines. There would be physical construction. Regulated air contaminants are emitted by this source. Ms. J. Pratt is the assigned Division person.

For Wilson County "Lebanon Democrat"-- publish once on Thursday, March 16, 2017.
